FDA,

I am inquiring about the labeling requirements for Dietary Supplements and Herbal Supplements.

I looked on the Internet and found some reference to the Dietary Supplement Health Education Act of 1994, but the information seemed to be in summary form.

I would appreciate any information you can send me that gives specifics on what the requirements are for proper labeling of Dietary Supplements and Herbal Supplements.

Respectfully yours,

Oscar Estevez

P.S

If I have not mailed this letter to the correct department, would you be so kind to see that it gets to the correct department. I would appreciate it, I need this information. Thank You.
